

Reflecting on our school's approach to implementing Brightpath

More schools are using Brightpath more often and there is much that we are learning from each other. From time to time, we organise community PL to bring schools together to share their experiences, insights and advice.

Join us for a **bonanza session on 22 July 2021** as principals, curriculum leaders and teachers share their **successes, failures** and **tips**. And much more... There will be plenty of time for questions and discussion.

So come along and get tips and advice that will help you in your school.

Tea, coffee and cookies will be served on arrival.
