<b>Online Training Modules</b>	Leading your school in using Brightpath – Series of three 1.5 hr workshops, available free to all registered Brightpath users.
<b>Getting Started and /or Introductory Session</b> A session tailored for each school	The aim is to introduce and /or increase teachers’ familiarity with the Brightpath Assessment process and software. We cover the research behind, and benefits of implementing Brightpath Assessment. <b>\$540</b> for up to 1.5 hours (including GST) <b>\$60</b> (including GST) per half hour thereafter plus travel costs *
<b>How to Assess using Brightpath</b>	These workshops are aimed at refining teacher judgements and improving accuracy and confidence in assessment. Your School chooses the text type, and our expert marker visits your school. <b>\$1,000</b> (including GST) per session, plus travel* <b>Option A</b> - Our experienced marker runs three consecutive one-hour sessions for three groups of up to seven teachers per group, teaching a similar year level. Each group submits six samples that they have already marked in advance of the sessions, two each at a lower, moderate and higher level. Groups discuss how each work was scored, further informing assessing skills. <b>Option B</b> - This is a three-hour workshop –run on development days- for schools new to Brightpath, or schools wishing to fine-tune their assessment skills. Our expert markers will familiarise teachers with what to look for when assessing writing in Brightpath. Presenters will explain how to identify features of students writing; use of the conventions as well as the ability to manipulate language to achieve its purpose, the authorial choices. <b>Option C</b> - Our experienced marker runs three consecutive one-hour sessions for three groups of up to seven teachers per group; each group teaching a similar year level. The marker will analyse and explain four exemplars from the Brightpath scale that relate to the particular year level. Each group will assess one or two unseen / practice exemplar(s) at the end of each session. <b>Option D - Online</b> - Three hour Getting Started with Narrative Assessment. We begin with an overview of how to assess a narrative text in Brightpath. The participants, thereafter, go offline for one hour and have a go at assessing three scripts against the ruler. Participants log back in for a post assessment analysis and discussion. We conclude with Leading the Implementation of Brightpath at your school.

\* travel costs are charged at \$1.68 (including GST) per km from Perth City Centre
